and Saint Michael Church*

**SUNDAY MASS SCHEDULE IS AS NORMAL PROVIDED THE
FOLLOWING PRECAUTIONS:
PLEASE REFRAIN FROM SHAKING HANDS AND OTHER
TRADITIONAL GREETINGS THAT INVOLVE HUMAN CONTACT**

Concerning the Coronavirus, Bishop Matano has issued the following guidelines:

Concerning Holy Mass in the Diocese of Rochester, until further notice:

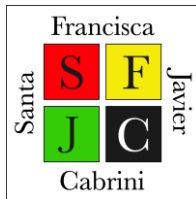

1. The **sick** are **asked to stay at home** to protect themselves and others.
2. **Any Catholic who feels at risk** or has **concern for his or her health** from exposure to the virus, especially the **elderly** and most **vulnerable**, is **not obligated to attend Mass**.
3. The **Sign of Peace during Mass is suspended. No holding of hands during the Lord's prayer** or at any other time during Mass.
4. **Reception of the Precious Blood from the chalice is suspended.**

Reminder: The Catholic faith teaches that:

Christ, whole and entire, and the true Sacrament, **is received even under only one species**. To receive one species does not deprive one of any grace that is necessary for salvation. (see, General Instruction of the Roman Missal, No. 282).

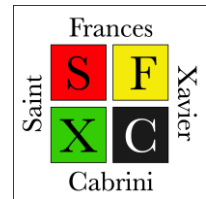

Let us pray for each other in this time of great need,

Fr. Mickey McGrath
